

JAPAN ORDER TUTORIAL

You want to order a tee-shirt, cd or goodies on the official Maximum The Hormone Website
We will give you the keys to order in Japan, nevertheless you will need a Credit Card and it will be more expensive for shipping. But love does not count the cost !

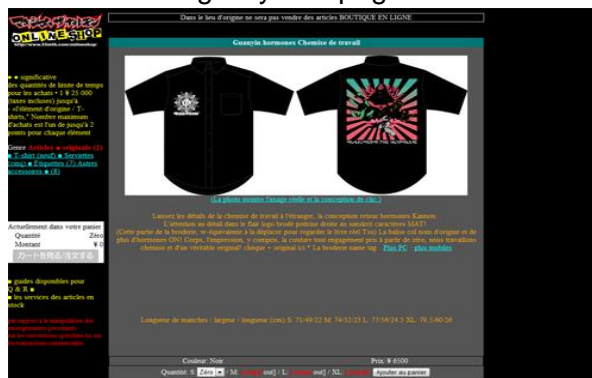

1st Step : Register on one of these 3 websites. (READ ALL PROPOSALS BEFORE !!)

-1- TENSO.COM

Tenso is a website that's offers after registration and indication of personal informations and credit card number to give you a Japanese address. Tenso.com give you his Japanese address and when they receive your equipment they return it at your address. They charge by weight and the type of delivery chosen.

You'll have just to go on Tenso and click in « Free Registration », fill out the form and complete the registration. If you don't understand English very well use « Google Translation ». Once the operation is done, Tenso.com will give you an Japanese address for shipping.

Now that you get the Japanese address, you can order on the Official MTH website so go to the store (<https://www.55mth.com/onlineshop/index.php>) .If you don't read Japanese use "Google translation" this will give you a page like this.

Now the page is translate, so choose your stuff, size, number...And confirm your order. You will arrive on a page with a form, if it's not translate do it.

-3- CELGA INC

Celga is the last of our 3 tips to order in Japan. With Celga it's also another way to order. It's between Tenso.com and Yokatta. You must create an account but you don't need to give your credit card numbers. When your registration is done, you'll have to do a request with the specific tab. When it's done, Celga will recontact you to give you the exact price of your order. Once the order is made, Celga care of everything. **NOTE :** Celga offers a secure payment by Paypal, for people who don't know Paypal is very safe and offers insurance and is an effective anti-fraud software.
